Please cite this article as: J. Corren and B.P. Yawn, Advancing the Care of Severe Asthma: Differential Diagnosis, Multidisciplinary Management, and Patient Engagement, *The American Journal of Medicine*, <https://doi.org/10.1016/j.amjmed.2019.02.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Advancing the Care of Severe Asthma: Differential Diagnosis, Multidisciplinary Management, and Patient Engagement

Jonathan Corren, MD¹; Barbara P. Yawn, MD, MSc, FAAFP²

Author Information

¹ Associate Clinical Professor of Medicine, David Geffen School of Medicine at UCLA, Section of Clinical Immunology and Allergy, Los Angeles, California

² Adjunct Professor, Department of Family and Community Health, University of Minnesota, Minneapolis, Minnesota

This CME-accredited *CME Snapshot*[™] four-part series is intended for primary care providers, including internists, family physicians, nurse practitioners, and physician assistants involved in the ongoing management of patients with severe asthma. The faculty will review freely available patient- and caregiver-directed educational resources that seek to improve shared decision-making and multidisciplinary care.). (Online access: <https://asthmacmecp.elsevierresource.com/>).

Acknowledgment

This educational activity is jointly provided by The Elsevier Office of Continuing Medical Education and Integritas Communications.

It is the policy of The Elsevier Office of Continuing Medical Education that all faculty, instructors, and planners disclose any real or apparent conflict of interest relating to the topics of this educational activity.

The **faculty** reported the following financial relationships or relationships to products or devices they or their spouses/life partners have with commercial interests related to the content of this medical continuing education activity:

Jonathan Corren, MD, is a consultant/advisor for AstraZeneca; Regeneron Pharmaceuticals, Inc.; and sanofi-aventis U.S. LLC. He is on the speaker's bureau for AstraZeneca; Genentech, Inc.; and Teva Pharmaceutical Industries Ltd. He has received research/grant support from AstraZeneca; Genentech, Inc.; Regeneron Pharmaceuticals, Inc.; sanofi-aventis U.S. LLC; and Stallergenes Greer plc.

Barbara P. Yawn, MD, MSc, FAAFP, is a consultant/advisor for AstraZeneca; Boehringer Ingelheim Pharmaceuticals, Inc.; GlaxoSmithKline; and Novartis Pharmaceuticals Corporation.

Planners, Managers, Reviewers: Rose O'Connor, PhD, CHCP; Sandy Breslow; Alison Kemp; and Bernard M. Abrams, MD, hereby state that neither they nor their spouses/life partners have had any financial relationships to products or devices with any commercial interest related to the content of this activity of any amount during the past 12 months.

Funding

This CME activity is supported by an independent educational grant from AstraZeneca.
